Call for Poster Presentations

The 10th GHTF Conference is an excellent venue for displaying current information relevant to the international harmonization of medical device regulatory requirements. The GHTF Chair invites you to prepare a poster for presentation during the Conference.

Poster presentations will be conducted as indicated in the Conference programme and can be viewed during the coffee and lunch breaks throughout the duration of the Conference, but may not be manned at all times.

At least one author must register to attend the Conference. Nominations to present a poster should outline

- a short description including the title, an overview of the subject matter and relevance to the goals of the GHTF; and
- the presenter's name, full contact details and affiliation with the GHTF.

A "Guideline for Poster Presentations" is available from the Poster Chair Dr. Ekkehardt Stöblein and all nominations should be forwarded via e-mail to e.stoesslein@bfarm.de by no later than Friday April 7, 2006.

Arriving by plane and/or railway

Lübeck has a local airport (Blankensee) which is serviced by Ryan Air offering budget priced direct flights from Stockholm, Pisa, Bologna, London-Stanstead, Glasgow and Shannon (Ireland). The airport is situated at a short taxi drive at appr. 15 €cost to Lübeck city center.

The other major airport is Hamburg Fuhlsbüttel situated about 75 km from Lübeck city center. There is a shuttle service from the airport to the Hamburg Central Railway Station available at approximately 5 €cost. The train runs every hour (for schedule see www.bahn.de) and takes about 50 minutes to Lübeck Central Railway station, which is situated at a walking distance or short taxi drive from most hotels. It is recommended to buy the train ticket in advance as ticketing in Hamburg may be cumbersome.

There is also a discount taxi service from Hamburg Airport to Lübeck (€60,00 to 70,00). Please request directly by **fax** with the reservation code "GHTF-Conference 2006" your confirmed flight number, date and time of arrival to
