Call for Poster Presentations - **until latest April 28, 2006**

The 10th GHTF Conference is an excellent venue for displaying current information relevant to the international harmonization of medical device regulatory requirements. The GHTF Chair invites you to prepare a poster for presentation during the Conference.

Poster presentations will be conducted as indicated in the program and can be viewed during the coffee and lunch breaks throughout the duration of the Conference, but may not be manned at all times. The language used should be English. The venue is the first floor at MUK (Musik und Kongresshalle Lübeck), Willy-Brandt-Allee 10, 23554 Lübeck.

At least one author must register to attend the Conference (see Booking Announcement). To submit a poster for consideration, please provide

- the title of the poster along with an abstract no longer than 200 words underlining the relevance to the goals of the GHTF; and
- the presenter's name, full contact details and affiliation with the GHTF.

Please note: Poster presentations may not be used as exhibit displays or marketing purposes. The Conference Organisation Committee reserves the right to reject posters that do not fulfil this requirement.

Nominations should be forwarded via email to ghtf@spectaris.de and copied to Dr. Ekkehard Stösslein as the poster chair (e.stoesslein@bfarm.de) not later than **April 28, 2006.**

A "Guideline for Poster Presentations" is attached.
